The first games of the Twin City League were played at Broad Street Park yesterday evening between the Pontiacs and Olivers, as contestants in the first, and the Brownies and Richmond in the second. Fast ball playing was the feature in both games. All teams showed to be evenly matched, and good, clean ball is expected. The stick work of Houchens, of the Olivers, and Creery, of the Pontiacs, were the features of the first game.

Imperial, 12; Swansboro, 8.
The Barton Heights Imperials met and defeated the Swansboro team on their own grounds yesterday afternoon in a game that was not so close as the score would indicate. At no time was the fielding of both sides was good. In the seventh, with two out, one or two hits, with a corresponding number of errors by the opponents, netted Swansboro three runs, and for my looked usually, but Buck pulled himself together and struck out the batter, with two bases occupied. The hitting of Rose and Boone, of the Imperials, and the home run drive of Clements, of Swansboro, were the most interesting features.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, fatal results are sure to follow.

Your other organs may need attention—but your kidneys most, because they do most and need attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince any one.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It cures the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

Dear Sir: 53 Cottage St., Melrose, Mass. Jan. 11th, 1904.
"Ever since I was in the Army, I had more or less kidney trouble, and within the last year it became so severe and complicated that I suffered everything and was much alarmed—my strength and power was fast leaving me. I saw an advertisement of Swamp-Root and wrote asking for advice. I bought the medicine and noted a decided improvement after taking Swamp-Root only a short time.
"I continued its use and am thankful to say that I am entirely cured and strong. In order to be very sure about this, I had a doctor examine me, and he pronounced it all right and in splendid condition. I know that your Swamp-Root is purely vegetable and does not contain any harmful drugs. It is a great blessing to me, and I am recommending Swamp-Root to all sufferers, I am. Very truly yours,
"I. C. RICHARDSON."

You may have a sample bottle of this famous kidney remedy, Swamp-Root, sent free by mail, postpaid, by which you may test its virtues for such disorders as kidney, bladder and uric acid diseases, poor digestion, being obliged to pass your water frequently night and day, smarting or irritation in passing, bright spots or sediment in the urine, headache, backache, lame back, dizziness, sleeplessness, nervousness, heart disturbance due to bad kidney trouble, skin eruptions from bad blood, neuralgia, rheumatism, diabetes, bloating, irritability, worn-out feeling, lack of ambition, loss of flesh, sallow complexion, or Bright's disease.

If your water, when allowed to remain undisturbed in a glass or bottle for twenty-four hours, forms a sediment, or settles or has a cloudy appearance, it is evidence that your kidneys and bladder need immediate attention.

Swamp-Root is the great discovery of Dr. Kilmer, the eminent kidney and bladder specialist. Hospitals use it with wonderful success in both slight and severe cases.
